STATE OF MONTANA  
**DEPARTMENT OF JUSTICE**  
MOTOR VEHICLE DIVISION

Montana law authorizes that a person who submits a certificate of completion from a department-approved driver rehabilitation program must receive a 50% reduction on a driver license reinstatement fee.

At a minimum, approved traffic school programs must include pre-instruction / post-instruction testing of each participant and four hours of instruction on Montana driving laws, the importance of positive driving attitudes and habits, defensive driving techniques and the responsible use of drugs and alcohol.

*The following traffic school has been approved to provide qualifying programs in Montana:*
